NEWS

Staff Changes

Dr. Claude T. Bissell has been appointed President of the University from July 1 next, Colonel W. E. Phillips, Chairman of the Board of Governors, has announced. Now President of Carleton University in Ottawa, Dr. Bissell was Vice-President here from 1952 to 1956, and for the previous four years had been Assistant to President Sidney Smith. He was also Associate Professor of English and Dean of Men in University College. Dr. Bissell is a graduate in Honours English and History of University College, and of Cornell University, where he obtained his Ph.D. degree.

The Reverend Derwyn Owen has been appointed Provost of Trinity College, succeeding The Very Reverend R. S. K. Seeley, whose death occurred last August. Dr. Owen is a graduate of the College, and has been head of its Department of Religious Knowledge since 1954.

J. A. McIntyre has been appointed Associate Director, University Extension. Now Supervisor of Personnel Placement and Training, Simpsons-Sears Limited, Mr. McIntyre will take up his duties January 2. He will be in charge of the Business and Industry Courses in the Department's evening lecture program, and of Correspondence Courses for business organizations.

In the Royal Ontario Museum of Art and Archaeology, Mrs. David Gill has resigned as Assistant to the Curator of the Modern European Department. Mrs. H. N. Milnes has been appointed Secretary of the same Department. Miss Marjorie Shook has been appointed Assistant to the Chief Cataloguer in the Division of Art and Archaeology.

Arts

Principal F. C. A. Jeanneret was appointed by the City Council on November 25, a member of the Committee on Civic Awards of Merit, in place of The Honourable Sidney Smith.

Professor F. M. Heichelheim addressed the Reform Congregation Temple Emmanue-El on "Moses Mendelsohn and the Essentials of Reform" in November, and the Orient Club, Toronto, on "Worldhistoric Problems 669-585" in December.

Professor Joyce Hemlow of McGill University visited the Department of English, University College, and gave a paper to the Graduate English Club in December.

Professor Frédéric Deloffre of the University of Lyons will be the Visiting Professor in the Department of French, U.C., throughout the spring term. He will give a course in the School of Graduate Studies on "La Comédie de Moeurs en France de la Mort de Molière à Marivaux (1673-1750)", a subject on which he has published numerous books.

Professor D. M. Hayne was guest speaker at the annual Commencement Exercises of Parkdale Collegiate Institute on November 1, and of Schumacher High School on November 29. He attended the Conference of Registrars held at Sir George Williams College, Montreal, December 2-3.

Professor J. A. Irving addressed the Toronto Board of Trade on November 4 on "Prairie Politics and Realities."

Professor C. F. Comfort lectured on "The Art of the Low Countries" in the Royal Ontario Museum Extension series on November 21.

On November 20 Professor F. E. Winter lectured to the Toronto Society of the Archaeological Institute of America on "Byzantine Mosaics in Ravenna and in Sicily."

Professor G. S. Vickers was elected President of the Mediaeval Society.

Professor D. J. McDougal attended the Mid-western Conference on British

History at the University of Chicago where he read a paper on "Constitutional Development in Canada and Ireland" on November 2.

Professor J. M. S. Careless spoke to the Hamilton Association, in their Centennial Lecture Series, on "Canada in the 1850's," on November 16.

Dr. C. H. Bedford attended a conference of the Inter-University Committee on Travel Grants in Chicago from December 13-15. On November 18 he addressed the Sunnylea Home and School Association on "The Soviet Union Today."

At the November meeting of the Toronto Linguistic Society the executive for the current session was elected as follows: R. H. Robinson, President; Professor F. E. Sparshott, Vice-President; Professor H. Milnes, Secretary-Treasurer. Professor D. H. Theall addressed the Society on November 12 on "Mood and Aspect in English." Mr. Samilov spoke to the Society on December 12 on "Soviet Linguistics Today."

Applied Science and Engineering

Dean R. R. McLaughlin spoke at the dinner at the annual meeting of the Official Boards and Staff of Assumption University of Windsor and Essex College on November 29. Dean McLaughlin addressed the students at the Timmins High and Vocational School Commencement on December 6.

Professor W. H. Rapson presented a paper entitled "A New Process for Chlorine Dioxide Manufacture" at the Eleventh Alkaline Pulping Conference of the Technical Association of the Pulp and Paper Industry, in Charleston, S.C., November 5-8.

Professors Rapson, A. I. Johnson, and Z. May accompanied the Fourth Year Chemical Engineering students on their annual field trip on October 31 and November 1 to Shawinigan Falls.

Professor R. F. Comstock attended the Convention of the Canadian Institute of Professor C. E. Helwig and C. Hershfield attended the Conference on Creative Sewage and Sanitation in Toronto, October 28-30. Trends in Structural Design held in Chicago in December.

Dr. J. L. Yen addressed the Hamilton Section of the Institute of Radio Engineers on "Instrumentation in Radio Astronomy" on December 9.

Professor G. Ross Lord has been appointed chairman of the Metropolitan Toronto and Region Conservation Authority. Professor Lord and W. S. Wilson attended the annual meeting of the Engineers' Joint Council in New York October 24-25. Prof. Lord took part in the deliberations of the Committee on Professional Practice.

Professors D. G. Huber and I. W. Smith attended the annual meeting of the American Society for Engineering Education, Upper New York Section, held in Rochester, October 4-5. Professor Huber was elected Secretary for the coming year.

Professor F. C. Hooper has again been named to the Committee on Fundamentals of Heat Transfer of the American Society of Mechanical Engineers.

Professors L. M. Pidgeon and H. U. Ross attended the 15th Annual Electric Furnace Steel Conference in Pittsburgh, December 4-6.

Professor H. R. Rice has been elected a member of the Institute of Mining and Metallurgy, London, England.

Dr. G. N. Patterson gave the W. Ruper Turnbull Lecture at the combined meeting of the Canadian Aeronautical Institute and the Institute of Aeronautical Sciences at Montreal on October 21, on "Aerophysical Problems of Flight at Extreme Altitudes and Speeds." On this occasion the Institute of Aerophysics was honoured for its contributions to aeronautical education and research. Dr. Patterson attended the Seventh General Assembly of the Advisory Group for Aeronautical Research and Development (NATO) in Washington, November 25-26, and led the panel discussion on "The Mechanics of Low Density Media."

Forestry

Professor D. V. Love gave an illustrated address, "Observations on Forest Management in Europe," to the Southern Ontario Section, Canadian Institute of Forestry, in Toronto on December 10.

Music

Dean Boyd Neel will conduct the Victoria Symphony Orchestra, January 5-13, and the Vancouver C.B.C. Orchestra on January 16. Dean Neel will conduct the Hart House Orchestra at Etobicoke on January 23, and at Lindsay on January 30.

Albert Pratz will give a violin recital for the Brockville Community Concert Association on January 16.

Ernesto Barbini and Herman Geiger-Torel will conduct and stage-direct, respectively, the television performance of "Tosca" on the C.B.C. on January 16 at 10 p.m.

Principal Ettore Mazzoleni will conduct the C.B.C. Symphony Orchestra on January 20 and 27 at 9 p.m.

Architecture

On November 13 a dinner was held at the York Club in honour of Professor H. H. Madill as retiring Director of the School. Staff members and personal friends of Professor Madill attended.

Professor Milton S. Osborne attended a meeting of the Advisory Board of the Architectural Guide to Rehabilitation Center planning in Washington, September 6-7. This project is sponsored by the United States Health Service. He also attended a meeting of the same Board in Chicago on Dec. 4-5. Professor Osborne, who is chairman of the National Judiciary Committee of the American Institute of Architects, attended an Executive Board meeting in Phoenix, Arizona, November 9-11.

Professor J. A. Murray attended the Community Planning Association of Canada Annual Conference in Vancouver. He gave an address on "The Neighbourhood in the Urban Scene" and participated in the panel discussion on "How to Increase the Supply of Low Cost Housing in Canada." Professor Murray has been named chairman for the Joint Committee on Housing of the Royal Architectural Institute of Canada and Central Mortgage and Housing Corporation, and has been appointed an associate member of the Town Planning Institute of Canada. On November 8 Professor Murray spoke on "Architects and Housing" at the Housing Design Council in Ottawa, and on November 12 addressed the senior staff course of the Central Mortgage and Housing Corporation at Ottawa.

Professor Gordon Stephenson was guest speaker at the annual conference of the Community Planning Association of Canada in Vancouver in September, and addressed the Vancouver Chapter of the Architectural Institute of British Columbia on "Modern Architecture." At the invitation of the President of the University of British Columbia, Professor Stephenson has been acting as adviser to the President's Committee concerned with the university's planning.

Professor E. R. Arthur was appointed Professional Adviser to the Corporation of the City of Toronto in connection with the new city hall and square.

Professor J. H. Acland addressed the joint conference of the American Institute of Architects and Association of Collegiate Schools of Architecture in June at Aspen, Colorado. He has been appointed associate editor for planning issue of "Canadian Architect." During July Professor Acland was engaged in research in townscape and Churrigueresque architecture in Mexico.

Professor S. R. Kent addressed the fall meeting of the Nova Scotia Association of Architects on October 25-26 in Halifax, on "Modular Coordination in Building."

He gave an address on the same subject to the Toronto Chapter of the Ontario Association of Architects on November 21, and to the Architectural Institute of British Columbia on December 7. Lectures were also given to civil engineering students at the Nova Scotia Technical College, Halifax, and architectural students at the University of British Columbia and the University of Manitoba. Professor Kent, as chairman of the Canadian Standards Association Committee on Modular Coordination in Building, conducted its second meeting in Toronto on September 20. He is also chairman of the Ontario Association of Architects committee on Dimensional Coordination.

Professor W. E. Carswell gave an illustrated address to the Humber Valley Photographic Association on November 28 on the subject of "Colour Composition."

Professor A. P. C. Adamson is general consultant to the Ontario St. Lawrence Development Commission which has been entrusted with the development of a St. Lawrence Parks system. This work includes research on and the construction of a folk museum, in the form of a complete village of the Upper Canada period.

Professor R. J. K. Barker acted as planning consultant to the Ontario Hydro, 1953-56 in connection with the rehabilitation program of the St. Lawrence Power Project. In collaboration with the affected municipalities and the local planning boards, plans were prepared for the relocation of approximately 6,000 persons. Three new communities are now under construction, as well as a major redevelopment of the village of Morrisburg.

Professor G. A. P. Carrothers was elected chairman of the Central Ontario Chapter of the Town Planning Institute of Canada, and was reappointed editor of the Town Planning Institute of Canada.

Theology

The Reverend Dr. J. S. Whale, former President of Cheshunt College, Cambridge, was Visiting Lecturer in Emmanuel College for the first term. He gave a course of lectures to the undergraduates in Theology on "Modern Trends in Theology" and a course in the Toronto Graduate School of Theological Studies on "The Theology of the Sacraments". He also gave four public addresses entitled "The Christian Perspective".

Royal Ontario Museum

Miss H. E. Fernald attended the opening, on November 22, of the South-eastern wing of the Philadelphia Museum of Art, when four architectural structures, brought from the Orient, were first shown to members. They included a whole ceremonial Tea House and Buddhist Temple, with gardens, from Japan, and a scholar's study and Buddhist Temple Hall from Peking.

Mrs. B. Stephen will attend the opening of the Exhibition of National Korean Treasures of Art at the National Gallery of Art in Washington on December 14.

L. Sternberg and Dr. Gordon Edmund attended the meetings of the Society of Vertebrate Palaeontology held in conjunction with the Geological Society of America in November at Philadelphia and Atlantic City, when Dr. Edmund presented a paper.

The Press

Arrangements were recently completed for publication by the Press of the following volumes in the Ontario Series jointly sponsored by the Government of Ontario and the Champlain Society: Volume I, *The Valley of the Trent*, edited by Edwin C. Guillet, and Volume II, *Royal Fort Frontenac*, edited by Leopold Lamontagne and Richard A. Preston. *The Valley of the Trent* was published in 1957, and *Royal Fort Frontenac* is expected from the Press in the spring of 1958.

The following publications have been issued by the Press since the last edition of the *Bulletin*:

Our Living Tradition, C. T. Bissell (ed.), \$3.50

Georgian Bay Sketches, by Barker Fairley, \$3.50

Land of Choice: The Hungarians in Canada, by John Kosa, \$3.50

Sophocles the Playwright, by S. M. Adams, \$4.75

Canadian Slavonic Papers, II, G. S. N. Luckyj (ed.), \$3.00

Other Books Published

Giessener Arabische Papyri Cairo, by F. M. Heichelheim and A. Grohmann.
Cairo University Press.

Copy for the February *Bulletin* should reach the Publicity Department,
Room 226, Simcoe Hall (WA. 3-6611, local 232), by January 17.
